Doc's my name and being a Haflinger is my game! I came to Lothlorien in 2021 and found my long lost twin brother Stoney. Well... he's not really my twin, but he sure looks like me! We look SO similar, it's hard to tell us apart.

I have a get-along- with-everyone personality and I'm always happy to take someone for a ride, lay in the sun, snooze, get brushed, eat, snooze a bit more, maybe another ride, eat, nap....you get the picture.

Lothlorien sure likes their Haflinger horses. Me, Stoney and Mac are all Haflingers. Maybe I'll start a club and call it the Haflinger Bros Club. I'll be the president. I'll put Mac and Stoney in charge of snacks - apples and peppermints are my fav!

Things to know about me: I like Hula Hoops and playing Twister.

If I was a celebrity: I would be Dwayne "The Rock" Johnson, but with less muscles.
