Hello friends! It's me! Gimli! I'm the cutest pony you've ever seen right? Like most ponies, I have a lot of attitude, but I'm fun and a good listener. I'm very friendly, playful, and curious and I **LOVE** attention. **I also love my riders and they love me.** My favorite lesson games are Tic-Tac-Toe, relay races and basketball.

## Things to know about me: I like to dress up!
