Hello! I'm Trigger and I'm a cute, cuddly, Super Star pony. I always keep a steady, slow pace and I care about all my riders. I was Pony of the Month in Pony Club and I have done dressage and 4H. My coloring is called Cremello and I have beautiful blue eyes. I'm VERY furry because my coat grows very long, but I get a hair cut every spring.

**My favorite movie is Frozen.
I love Olaf! He's kind and
funny and friends with
everyone, just like me!**
