I'm Toffee and I'm SUPER CUTE! I'm 11 years old and, nope, I'm not getting any bigger. I'm the perfect size for a Miniature Pony. I'm small, but MIGHTY! I love people, horses, cats and dogs. My roommate Tucker is my best friend. We play all day long and the only time we argue is when he tries to eat my hay! I get along with the bigger horses too. Some say I need a haircut... no way! I'm perfect just the way I am, just like you!

Tucker

23 year old Shetland pony gelding

I'm Tucker and I'm spunky, curious and fun! I have the best mane at the barn, don't you think?! I'm a big hit in the Veterans and Reading Program because people like to talk to me and read me books... I'm a great listener. Hang out with me for a little bit and you'll fall in love with me too... I'm always doing something silly!
